super fast

3 x 1 gearing

precision-molded

ABS housing

Giant® Chalk Boxes

Why so big? It holds a lot of string and a lot of chalk.

If you're snapping dozens of lines, or need big bold lines provided by the thicker string, grab a Giant and get the job done.

Great for

Concrete	Parking lot layout
Roofing	Deck layout
Tiling	Planter layout
Carpentry	Floor framing
Dry wall	Stair layout

Advantages

- Super **high speed** 3 x 1 rewind
- Our **Chalk Catcher** with patented **Spring Cleaner™** minimizes chalk spray, reduces waste and catches the chalk that used to end up on your clothes or your layout.
- An elliptical spool that churns the chalks and improves string coating
- Gear lock makes keeping a taut line a snap.
- Rugged crank handle with spinner for easy rewind.
- ABS case takes a beating and the Keson orange can be found quickly in the clutter.
- "Glovable" grip for cold weather or rough conditions.
- Huge BigMouth® opening to ease fill up and a no-leak stopper to keep it shut until you want to chalk up.
- Ergonomic design for less wrist strain.
- Recessed handle clasp stores the handle out of the way.
- String—Polyester with a core for strength and shape. It holds chalk until it's snapped right where you want it. 1/8th of an inch thick for bold lines.

Marking Chalk
