GIANT[®] chalk boxes

Why so big? It holds a lot of string and a lot of chalk. If you're snapping dozens of lines, or need big bold lines provided by the thicker string, grab a Giant and get the job done.

Great for

|----------|--------------------|----------------|---------------|
| Concrete | Carpentry | Deck layout | Stair layout |
| Roofing | Dry wall | Planter layout | ... and more! |
| Tiling | Parking lot layout | Floor framing | |

G3X100 Advantages

- Super **high speed** 3 x 1 gearing for rapid rewind.
- Our patent-pending **Chalk Catcher** with **Spring Cleaner™** minimizes chalk spray, reduces waste, and catches the chalk that used to end up on your clothes or on your layout.
- The patent-pending elliptical spool churns the chalk which improves string coating.
- Gear lock makes keeping a taut line a snap.
- Rugged crank handle with spinner for easy rewind.

Giant Advantages

- Huge BigMouth opening to ease fill-up and a no-leak stopper to keep it shut until you want to chalk up.
- "Glovable" grip for cold weather or rough conditions.
- Rewind—Steel crank for long life.
- Recessed handle clasp stores the handle out of the way.
- ABS case takes a beating and the Keson orange can be found quickly in the clutter.
