| Hazard statements   | Extremely flammable aerosol.   |                       |
|   | Contains gas under pressure; may explode if heated.<br>Causes skin irritation.   |                       |
|   | May damage fertility or the unborn child.<br>May cause respiratory irritation.   |                       |
| Precautionary statements  | May cause damage to organs through prolonged or repeated exposure.<br>Obtain special instructions before use.  |                       |
| Frecautionary statements  | Keep away from heat/sparks/open flames/hot surfaces No smoking.  |                       |
|   | Do not spray on an open flame or other ignition source.<br>Pressurized container: Do not pierce or burn, even after use.                                 |                       |
|   | Do not breathe dust/fume/gas/mist/vapors/spray.<br>Wash hands thoroughly after handling.   |                       |
|   | Use only outdoors or in a well-ventilated area.  |                       |
|   | Wear protective gloves/protective clothing/eye protection/face protection.<br>IF INHALED: Remove person to fresh air and keep comfortable for breathing. |                       |
|   | Call a poison center/doctor if you feel unwell.<br>Specific treatment (see on this label).   |                       |
|   | Take off contaminated clothing and wash it before reuse.<br>Store in a well-ventilated place.  |                       |
|   | Store locked up.<br>Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.   |                       |
|   | Dispose of contents/container in accordance with local/regional/natio regulations.   | nal/international     |
|   |  |                       |
| 3 Composition/information on ingre                                      | edients  |                       |
| Chemical characterization: Mixtures<br>Chemical Description:            | This product is a mixture of the substances listed below with nonhazardous add   | ditions.              |
| Dangerous components:<br>74-98-6 propane                                |  | 17.81%                |
| 1317-65-3 Calcium Carbonate   |  | 11.89%                |
| 108-88-3 Toluene  |  | 10.61%                |
| 106-97-8 n-butane<br>64742-89-8 VM&P Naphtha                            |  | 10.46%                |
| 64742-47-8 Mineral Spirits  |  | 4.49%                 |
| 68410-97-9 Low boiling point naphtha                                    |  | 1.2%                  |
| 4 First-aid measures  |  |                       |
| After inhalation:   | Supply fresh air; consult doctor in case of complaints.  |                       |
| After skin contact:<br>After eye contact:                               | Remove contaminated clothing. Wash exposed area with soap and water.<br>Rinse opened eye for several minutes under running water. Then consult a doc     | ctor.                 |
| After swallowing:<br>Most important symptoms and                        | Rinse mouth with water. Do not induce vomiting.  |                       |
| effects:  | Dizziness  |                       |
| Indication of any immediate medical<br>attention needed:                | No further relevant information available.   |                       |
|   |  |                       |
| 5 Fire-fighting measures<br>Extinguishing agents:                       | CO2, extinguishing powder or water spray. Fight larger fires with water spray.   |                       |
| Special hazards:  | Can form explosive gas-air mixtures.   | (Contd. on page 2)    |
|   |  | (conta. on page 2)    |

|   |   |
| Trade name: YELLOW FLUORESCENT  |   |
|   |   |
| Protective equipment for  | (Contd. of page 1)  |
| firefighters:   | A respiratory protective device may be necessary.   |
| incligaters.  |   |
|   |   |
| 6 Accidental release measures   |   |
| Personal precautions, protective  |   |
| equipment and emergency   |   |
| procedures:   | Use respiratory protective device against the effects of fumes/dust/aerosol.  |
| Methods and material for  |   |
| containment and cleaning up:  | Dispose contaminated material as waste according to section 13.   |
|   |   |
| 7 Handling and storage  |   |
|   | Lies only in well-wentileted even   |
| Precautions for safe handling   | Use only in well ventilated areas.  |
| Storage requirements:   | Keep away from sources of heat and direct sunlight. Do not warehouse in subfreezing conditions. Store locked up.  |
|   |   |
|   |   |
| 8 Exposure controls/personal prote  | ection  |
|   |   |
